

# CERTIFICATION OF COMPLIANCE *for*

## NEXT BIOMETRICS ASA

Model NB-65310-S single finger capture device at 500 ppi.

The FBI certifies that the equipment described above is in compliance with the following FBI CJIS Division's Next Generation Identification System Image Quality Specifications (IQS):

Personal Identity Verification (PIV) Single Finger Capture Device Specifications

---

This certification process does not constitute an endorsement, but only attests that the product meets FBI standards. Continued acceptance of the images created by an installed system, for retention in the FBI Master Fingerprint files, is contingent on the ability of the product to meet the IQS over time. As equipment can degrade, the FBI recommends that your company assist customers in the establishment of quality assurance programs and appropriate maintenance schedules for your products.

*The authenticity of this certificate can be confirmed by checking the online registry at <https://www.fbi biospecs.fbi.gov/>.*

Mr. Eric Kwan  
NEXT Biometrics Inc.  
12011 Bel-Red Road, Suite 201  
Bellevue, WA 98005

Dear Mr. Kwan:

The Federal Bureau of Investigation (FBI) Criminal Justice Information Services (CJIS) Division has completed a review of the testing information submitted by NEXT Biometrics Inc. This review was conducted by representatives of the FBI and the MITRE Corporation's image processing laboratory located in Bedford, Massachusetts. Based on the results of this review, the FBI certifies that the equipment listed on the attached certificate is in compliance with the FBI CJIS Division's Next Generation Identification System Image Quality Specifications (IQS) as listed on the certificate.

With regard to this certification, this letter does not serve as proof of the certification and should not be posted on a public-facing Web site. Enclosed is a certificate that may be posted as proof of certification. In addition, you may include the following statement in informational materials about this product: *The FBI has certified that this product meets specifications listed in Personal Identity Verification (PIV) Single Finger Capture Device Specifications of the FBI's Next Generation Identification System Image Quality Specifications.* You may not use the name or initials of the FBI in any other manner unless specifically authorized to do so. This letter does not authorize you to use the FBI's official seal for any purpose. This product certification survives any change in company name or ownership.

Please direct any questions regarding this certification to [EBTSSupport@fbi.gov](mailto:EBTSSupport@fbi.gov).

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Chris Ormerod", is positioned above the typed name.
